Бош орун жөнүндө:

iHub is the first physical educational marketplace in Kyrgyzstan that brings together courses from different segments under one roof. We are a company dedicated to providing classrooms for various educational courses, including English, IT, design, business, and more. We create an environment that promotes self-development, creative mindset and the formation of an educational community.

We are looking for highly qualified, responsible specialists FOR OUR OFFLINE IN PERSON CLASSES.

Send your CV to our email. We will schedule an interview, once we review your resume.
